## Welcome Message from Head of GrabCar, Singapore

To our new Partners,

A big welcome! The past few weeks have been extremely busy as we work hard to welcome our new driver-partners from Uber. Let's give a warm welcome to our new friends and neighbours.

Together, we now have an even greater responsibility to the communities which we serve. Our commitment to you, our driver-partners does not change - as part of Better 365, we will continue to push more benefits that will create new opportunities for you.

Thanks for your continued support and I look forward to seeing you on the road. Drive safe and stay healthy!

Andrew Chan
